**We are the Manufacturer, Designer
& Licensee!**

Vitro Seating Products is not just a marketer,
but the designer and manufacturer.

Established in 1929, Vitro has continued
to design and provide a diverse line of products.
We continue to concentrate on the ability to produce
a "total package" which includes booths, chairs,
stools, tables, bases, and design services.
Our location in St. Louis, Missouri offers an
excellent shipping point, and we are one of just
a few manufacturers that pass our high volume
freight discounts on to our customers!

We are looking forward to working on your
seating project, and encourage you to request
Vitro Seating Products when specifying furniture
for your restaurant, residential and hospitality needs!
